

Charter of Good Visitors

Sea side

- 1.** Protect the ecosystems remarkable and particularly vulnerable species. Encourage around you to do the same .
- 2.** Maintain and enhance Mediterranean biodiversity .
- 3.** Do not undermine the heritage pluck away, introduce species , making too much noise , feed marine life from Ships (except bait for fishing) .
- 4.** Improve water quality by reducing pollution : Do not throw waste in the water ...
- 5.** Adopt an eco- citizen approach by picking up and throwing the waste left behind by others.
- 6.** Respect the rules and the environment of the marine reserve : Fishing is strictly prohibited in the area , do not dive with bottle, it shall set and it is important to respect the zones of moorings outside the reserve (attention to seagrass beds that help oxygenate the water , serve as spawning grounds , food and protection of beaches).
- 7.** Some species are protected on our shores : Grouper , the Pinna nobilis , the great cicada, date mussel , sea turtles , dolphins .
- 8.** Urchin fishing is allowed only from November 1 to April 15 and limited to 4 dozen per person per day . Aboard a boat , fishing is limited to 4 per dozen persons on board and a day with a maximum of 10 dozen
- 9.** Jet skiing is prohibited in the town .
